What She Needs

No Capo

Quincy Flint

Key D

She's lonesome as a wallflower
She's shady as a tree
She don't want for nothing
She gets what she needs

She welcomes all good lovers
She sings for just one night
She's never seen the morning
She's gone before the light

She's seen many a bedroom
She stood by many a side
She'll never do you wrong
But she sure won't do you right

She's lonesome as a wallflower
She's shady as a tree
She don't want for nothing
She gets what she needs

She's serving drinks 'til midnight
She'll dance under the stars
She turns over that record
She picks up my guitar

She says she don't know a single chord
And she can't stand the blues
But she knows every word
To my favorite Guy Clark tune

She's lonesome as a wallflower
She's shady as a tree
She don't want for nothing
She gets what she needs

Now she ain't been to Texas
But she rides out with the best
You can tell that she's from Georgia
By the way she wears that dress

She's been up the Blue Ridge
She's been down the Santa Fe
She's been out to Leesburg
But she won't ever stay

She's lonesome as a wallflower
She's shady as a tree
She don't want for nothing
She gets what she needs

It's been several years behind her
Since her love and her did part
Now I take his place be side her
But I'll never take her heart

He went up to New York
He left her here behind
He ain't been back to Georgia
But he's never left her mind

She's lonesome as a wallflower
She's shady as a tree
She don't want for nothing
She gets what she needs
