

It's been two long years of waiting, been two long years of crying
But there ain't no doubt in no one's mind just where it is I'm bound

I'm finally feeling good again

Em	Em	Em	Em	Am	Am
----	----	----	----	----	----

They days just leave me ragged; the nights seem to make me whole
While the poets keep a'preaching all the lines I know they stole
And that old dark tunnel keeps me shivering, your body always keeps me warm
I stood as tall as the night is long, lumbered on my knees by morn

I'm finally feeling good again

Am	Am	C	C
Dm	Dm	Am	Am
C	C	Dm	Dm
G	G	Am	Am

C	C	G	G
Dm	Dm	Am	Am
C	C	Dm	Dm
G	G	Am	Am

I followed my dreams down a cold dark road, down a path paved for you
Lost my sense of direction, found a new kind/sense of truth
Your body laid below me as the moon rose high above
Forgot my mother's final warning, be careful, son, who you love

I'm finally feeling good again
