Keep On Dreamin', Sweet Dreamer  
**Quincy Flint**

Capo II  
Key C --> D

You say your eyes're wide open  
You say she's treats you so kind  
I hear the lies she's been weaving  
I see that you're happy and blind

And I love to see you smilin'  
I know it's not my place to say  
But one day I see you both cryin'  
Cause love's just a tough game to play

**Keep on dreamin' sweet dreamer  
She's got you locked under her spell  
You're wrapped around her sweet finger  
It's clear from the stories you tell**

You found yourself believin'  
You left me down in the dust  
You said I'll take a chance on a feelin'  
But, man, you've just fallen in lust

I don't mean to sound unkind  
I'd just like to be a good friend  
You're the ragged, dusty old doormat  
To the home she don't want you in

**So, keep on dreamin' sweet dreamer  
She's got you locked under her spell  
You're wrapped around her sweet finger  
It's clear from the stories you tell**

I see your heart's been a hurtin'  
I don't know, myself, how to love  
For the ways of the world and bad women  
I do know we're never enough

I'm here to talk when you've fallen  
I'm here to cry when it's done  
So, keep on lovin' that woman  
And someday, you'll find the right one

**So, keep on dreamin' sweet dreamer  
She's got you locked under her spell  
You're wrapped around her sweet finger  
It's clear from the stories you tell**

**Yes, keep on dreamin' sweet dreamer  
She's got you locked under her spell  
You're wrapped around her sweet finger  
You know that I just wish you well**
