

On My Way (To Heaven)

Quincy Flint

INTRO [GAD DG AA GD]

I'm on my way to heaven
I got one foot out the door
But I'm hangin' on to something
(That) You said before

INTRO [GAD DG AA GD]

I'm on my way to heaven
I got one foot out the door
But I'm hangin' on to something
(That) You said before

CHORUS [GA DG GA DG]

To keep me on the ground
To keep me hanging round
To help my hurting hands
Listen to your plans

CHORUS [GA DG GA DG]

Comfort me oh comfort me
Speak to me tenderly
And when you've said your fill
Just point me to your hill

VERSE [GA DG AA GD]

Cause if this life is sink or swim
And there ain't no one around
Then I'll be in the deep end
Don't save me when I drown

VERSE [GA DG AA GD]

When times get tough you toughen up
When things go well, you loosen up
That's OK I've seen enough
Now I'm headed home

CHORUS [GA DG GA DG]

Don't keep me on the ground
Don't keep me hanging round
Don't help my hurting hands
Won't Listen to your plans

CHORUS [GA DG GA DG]

Don't Comfort me don't comfort me
Don't speak to me tenderly
And when you've said your fill
Just point me to your hill
