

There are times we don't see eye to eye
I see the clouds when you see the skies
I welcome the rain and you wait for shine
I like the words and you like the rhymes

V1: C F C C

You like the highs and I like the lows
Where you lead, you know I'll go
If you're the moon, then (baby) I'm the glow
If I'm the boat, then you're the row

Verse:
C C G F F...
C C F F C C...
C C F F C C...
G G F F C C...

Well you like the blues skies and I like the grey
I wrote you this song hoping you'd want to stay
And have a big yard for the children to play
I wrote you this song hoping you'd want to stay

Chorus:
C C F C C...
G G F F C C...
C C F F C C...
G G F F C C...

You like the sand and I like the snow
You want to stay when I want to go
I like a big crowd and you like (all) alone
But I need you there when I come a-home

If I'm the glass, then you're the sand
If I fall, you'll lend a hand
If I'm the rope, then (baby) you're the strand
Cause you're my rock and that makes me the land

Well you like the blues skies and I like the grey
I wrote you this song hoping you'd want to stay
And have a big yard for the children to play
I wrote you this song hoping you'd want to stay
