You buy a little more and you'll shake a little less

If you knew what's good then you'd let it rest

So pour me a cup, no, make it two

Cause lord I got them coffee deficiency blues

I get up in the morning when girls in bed

And if I don't get no mud then I might's well be dead

You'll break my heart if that can is through

Cause Lord I got them coffee dependency blues

Sunday went by like I'd never know'd

That the one and three was the number four

Monday's come just a little too soon

Cause Lord I got them coffee deficiency blues
